She spent several years caring for her special needs son and disabled husband all while battling and beating lung cancer. She loved being "MawMaw Shesha" and caring for and spoiling her grandchildren and great-grandchildren. There will be no services. A memorial will be held at a later date. Her family wishes to sincerely thank Compassus Hospice Services for the wonderful care and support given, especially nurses Daniella and Gayle.

“ Miss you Shesha! Thanks for always making sure I knew I had a place to come home to. Thanks for taking care of me and letting me stay with you for the last half of my 5th grade year while my mom and dad got settled across the lake. I love you Maw!
