“ I was so sorry to hear about Fred's recent passing and was unable to attend his service today, but was there in spirit.
I had the privilege of working with Fred for many years through my law firm, Sullivan Stoler. He was always a joy to be around and could always find the bright side in any situation. He and Carolyn Slaton were so special to me and know his family will miss him dearly. My deepest condolences to his family at this time. Sincerely, Linda F. Vicknair

“ Fred made St. Charles Parish a healthier place but providing access to high quality healthcare at St. Charles Parish Hospital. He listened to the community and delivered what they wanted including an East Bank Clinic. He was also the kindest, most concerned CEO that I have worked with in my 20 years of working with hospitals. He could get talk to anyone on their level and get things done. He will be missed by all who knew him professionally and his family and friends.
