“ Frank was a loving Christian Brother, he was truly a friend in need. He went with us on a missionary trip to Mexico and was truly blessed and a blessing. I will never forget his favorite word, he called everyone “Baby” Frank will be missed by everyone that knew him. He left a great legacy, especially on the Westbank of Jefferson Parish, where he lived all his life except for his tour in the military.

“ Frank told me a lot of stories about the old days when he was a serviceman. I loved his friendliness and his love for his Lord Jesus Christ. He was an example of a changed man.

“ I attended high school with Frank. He was the funniest guy. Once we went to a movie Dutch style on the bus neither of us had money. He also took me to a Globe Trotter's game; he was just so much fun to be with. The last time I saw him was at Walmart. He always seemed to be there with Connie. He was a great friend and will be so very missed. My condolences to his family. Joan Lloyd Montecino
