

Mark Andrew Burrows

January 15, 1962 - December 2, 2020

Mark Andrew Burrows, a Mighty Man of God, was called home to be with the Lord on December 2, 2020 at the age of 58. Mark was, without a doubt, one of a kind. Mark's larger than life personality captured everyone; His positive energy, laughter and happiness were contagious, and his smile could light up any room. Mark had a heart of gold and was always eager to share his kindness, generosity, and love with everyone that knew him. Without hesitation, Mark was always there to offer a helping hand to those who needed him. He made everyone laugh with his corny jokes, had a style like no other, and wore his patches with pride. Mark loved the Lord and his family with all of his heart and soul. He was a beloved husband, father, Paw-Paw, uncle and friend. The impact he made on everyone's lives will never be forgotten and his legacy will live on forever. Mark was born on January 15, 1962 and was a resident of Harvey, Louisiana. Mark attended Visitation Of Our Lady Elementary School in Marrero, Louisiana, and was a graduate of the 1980 class of First Assembly Academy High School in New Orleans, Louisiana. He studied Accounting and Finance at Delgado Community College. Mark was the proud owner of World Gym Westbank from 1989-2005. He married the love of his life, Kerry in 1997. He served the public as an EMT, and later became a Hyperbaric Technician where he was currently employed at West Jefferson Medical Center. Mark was the CEO of Executive Security and co-owner of Concealed Carry Solutions. Mark was very adventurous; he lived life to the fullest with incredible enthusiasm and pride. He loved spending time with his family, and his hobbies included flying helicopters, riding his motorcycle, sky-diving, white-water rafting, spear fishing, paint-ball, and scuba diving excursions, just to name a few. Mark was also involved in the following organizations: The Civil Air Patrol, Coast Guard, Hell Divers and Sea Tigers Spear Fishing Clubs. He taught concealed handgun classes, was a certified Tug Boat Captain, and also successfully led his church security team. He is survived by his loving wife of 23 years, Kerry Lutz Burrows, his daughter Kaylin Burrows Scheuermann (Richie) and granddaughter Ezra Fayth Scheuermann. His mother Marion Frazier Burrows and his father, the late Willard Grant Burrows; Sister to Juli Burrows Hartley (Kevin) and his nephews Mitchell and Joshua Hartley. Son-in-law to Donald Lutz (Etta) and the late Fay Lange Lutz. Brother-in-law to Keith & Gina Lutz, Kraig & Whitney Lutz, Kristy & Kevin Johnson and Kippy & Anthony DiGerolamo. Uncle to

Jacey, Joel, Jude, Jacob, Jayden, Evan and Joshua Lutz, Elliott and the late Ethan Moore, Kelsey (Godfather), Kamryn, Kloe, Kaydyn Johnson, Bella & Gia DiGerolamo. Mark is also survived by a host of friends that were so special to him. We want to send a heartfelt thank you to Dr. Bill Borron, Dr. Jeremy Wagenspack, and all of the caregivers at WJMC, especially the nurses and staff in CCU and esteemed colleagues in the Hyperbaric Medicine Unit as well as the Church Family at Believer's Life. To know Mark, was to love him. May his contagious smile, and everloving laugh live on forever. In lieu of flowers, donations to Believer's Life Church in honor of Mark Burrows are preferred. Due to the COVID Pandemic, attendees are required to wear their face mask for the duration of the visitation and funeral service. “ Mark was a one of a kind friend with a life well lived in his 58 years he lived more than anyone could in two or more life times. I met Mark in the early 90's at World's gym after i had moved to town and didn't know any one out side the hospital where i worked. We became friends worked out , ran and spearfished together. He always had his priorities straight God,Family,Friends and Country. He brought joy into most peoples lives. We would sit in his back office at the Gym and talk about our issues together. May may have felt he did not have any problems to overcome but he did. We would talk about the leaky roof in the gym, landlord and money issues. We would also talk about our relationships, work and personal interactions. He was the iron that sharpened my iron. He was the first christian friend that I had a deep and mutually accountable relationship. My life was better for having Mark and Kerry in it. The hardest thing I had to do when I left New Orleans to join my fiance in Houston was to leave Mark. I was a better man for having him in my life and I have missed him ever since. I always hoped I would reconnect with Mark but now that opportunity will be in Heaven. Good bye for now Mark you were the best friend a person could have. I will miss you. You are in my heart forever

“ December 7, 2020, my daddy informed me of Marks passing. I asked are you sure it was Mark? Last year around November/December my daddy, Wilbert La Cross, and myself, Goldie S La Cross, we went to Wound Care at West Jefferson and when my daddy and Mark met up it was like a reunion. Mark told his co workers that my daddy was his boss, but my daddy was the captain of the tug and Mark deckhand, and my daddy considered him a co worker . Our visits at Wound Care were entertaining, Mark shared some of his history with us, one in particular Worlds Gym. Very saddened to hear of his passing. May God keep all of you safe in his loving arms.

With heart felt sympathy,
Goldie and Wilbert La Cross

He is resting in peace in Jesus' loving arms. My Rosary today will be prayed for Mark and his entire family. I know too well the pain of losing a sibling/brother. “ To the Burrows Family, I am so deeply sorry for your loss. I was so saddened to hear this devastating news. Mark was the most Cheryl man I know. For years I went to Would Gym & he was always happy to see you, made jokes, you couldn't help but smile & laugh right along with him. Over the years ice lost touch with him, had moved away. Please know you are all in my thoughts & prayers. He is with Jesus now, resting in peace & we all will see him again one day. Again my deepest condolences.

“ The warmest biggest hearted person I have ever met. He was the best man at my wedding. He was my spearfishing partner until I moved to Texas. He loved God, his family, and was always willing to give a helping hand to anyone in need. I will probably never have a friendship again as I had with Mark. He will always have a special place in my heart and my mind. I am sure there is a special place for him in Heaven.
