

Steve Morvant

March 11, 1977 - December 24, 2020

Steve Morvant, 43, of Marrero, LA took his final breath and entered into eternal rest the night of December 24, 2020, while surrounded by those who loved him most.

Steve was born March 11, 1977 and lived his entire life on the Westbank of New Orleans. He was a devoted husband of 19 years and a loving father. Steve was an avid softball player who sadly had to hang up his cleats after his cancer diagnosis. He continued his love for the game through his young daughter, coaching when possible and always cheering from the stands.

For the past two and a half years, Steve fought a heroic battle against cancer. His constant upbeat attitude, determination and kindness he exuded, inspired us all to be just like him. Steve left a legacy that will carry on through us all. #Forever14

Steve was loved and will be missed by many. His fun-loving personality has made an impact throughout our community where he was known as everyone's "Uncle Stevie." Steve leaves behind a loving wife (Christina), his baby girl (Baileigh) and his faithful fur baby (Butters). He is survived by his father and mother (Jesse and Brenda Morvant), his sister Lisa (Dave Marcel), Godson (Tyler), as well as several uncles, aunts and cousins. He is preceded in death by his paternal grandparents (Jesse, Sr. and Betty Morvant), his maternal grandparents (Wilfred "Sonny" and Opal Duplessis) and his Godmother (Mayola Graver).

Family and friends are invited to attend the visitation on Wednesday, December 30, 2020 from 5:30 p.m. until 7:30 p.m. at Mothe Funeral Home, 7040 Lapalco Blvd., Marrero, LA.

Words of remembrance and memories will be shared at 7:30 p.m. Face masks are a requirement and must be worn the duration of the service. To give everyone adequate time to pay their respects, we ask that you do not congregate for long in the parlor.

Friends and family are encouraged to wear their Knock it out the Park, Saints, LSU or Under Armour attire in honor of Steve. A Repass will be held at Boutte's Bayou Restaurant, 5134 Boutte St., Lafitte, LA, immediately following the service.

“ My deepest condolences to Stevie's entire family at this time. We have just learned of Stevie's passing. My husband Earlie Vicknair worked with Stevie at HouseHold Renovations. He has always spoken with such fondness about Stevie and how upbeat and special he was to work with. Again our deepest sympathies. Linda & Earlie Vicknair

“ I had the pleasure of knowing Steve through my husband. They worked together at hydril and stayed great friends even after. I can absolutely say that Steve was one of the nicest people I've ever met. I am so happy to have known him. Our 2 kids and myself are so sad over his passing, my husband is just heart broken. Such a loss of a wonderful person. We need more people like him in this world, but god needed him more. He will live on through his little girl. Sending prayers for his wife, daughter and family. We will greatly miss this happy, easygoing, funny and great man that we were all so lucky to have had in our lives

“ Words cannot express the loss of an awesome person, all the time. There was never a time you were out of character; even after hearing of your diagnosis, you remained the same; free spirit, kind, easy going, friendly, and so many other positive things affiliated to describe you. You touched the lives & spirits of everyone you encountered. Even those who never got to know you, heard of such an awesome dude you were. Your presence, companionship & free spirit have been missed for a long time at Harvey UPS.

Another "ANGEL" GONE HOME. Take your REST my friend, for your work here is complete.

RIP/RIH-til we meet again.

#Forever14.

“ I worked with Steve at Hydril and then Tenaris. What can I say? Steve was a go getter and always happy and carefree, just an all around Great Guy. My heartfelt prayers go out to his lovely bride and sweet daughter.

“ When Lisa became my sister in law Stevie and his family welcomed my family with open arms. Fourth of July parties he and Mrs. Brenda were the life of the party. He was like a brother to me and an Uncle to my daughters. He always had to dunk me or throw me in the pool. He would help my girls when we played volleyball and liked try to play tricks on me with them as well, "Lets get your mom" he would say. I can still hear him yell with is dad Mr. Jessie during the LSU game at my house. Me and Stevie are Godparents to Tyler and he will always be watching over you Tyler. You will be missed but never forgotten. You knocked it out the park. Prayers for Christy, Baileigh and your family. #14

“ I remember working with Steve at Tenaris/Hydril for many years. I remember mostly him being so nice of a person. He completed everything that was asked of him. He always had that laugh with or of no matter who said what. He never ever had anything bad to say about anyone or anything. When he was working for UPS and passed down my street he made sure to honk the horn and said hello. I really enjoyed knowing Steve and will never ever forget him or about him. Prayers are coming his and his families way.

“ Stevie lite up a room when he walked in. When he came to work at Hydril/Tenaris I felt a motherly closeness with him. He was only 3 days older than my son. I will forget how kind and respectful he was. When he came in the office he always came to my office and said hi Mom how are you doing. My heart is heavy writing this, but I know he is in a better place. Sending prayers and love to Chrissy, Bailiegh and the whole Morvant Family.

“ Thank you Christy, Baleigh, Stevie’s parents, his sister, along with Rusty and everyone else who lived through the trials and tribulations that are part of a Stage 4 cancer diagnosis for their never ending love and care of Stevie. That love and care enabled him to have extra time with those he loved. My husband and I had the pleasure of meeting a beautiful, deeply in love young couple through Christy’s aunt. From there on, we were often part of their family activities, Christy’s 1st wedding shower at which she was dressed as a lovely bride, and the beautiful wedding where everyone danced, ate, and drank the night away. Life continued for the young, hardworking married couple. They bought their own home, and then came the greatest blessing of their married life, little Miss Baleigh. They never stopped working hard and putting away money until they were ready to buy the gorgeous home they have now. The biggest challenges came in conjunction with buying that dream of a home. Their neighborhood grew and they had the privilege of bonding with many new friends and becoming even closer to the neighborhood brigade that consisted of several of Stevie’s family members. Most young couples may have elected to go back to their old life, but they trudged through a thick, infested jungle of a worst case cancer diagnosis and company closings that led to job losses. Christy decided to further her career, studied day and night and passed her highly sought after Notary Exam the first time around. God gave Christy the brain equal to a Masters, plus education. Both Christy and Stevie kept going forward all the while having to travel out of state on a regular basis for research cancer treatments and had the wherewithal to keep working in their attempts to keep a family household running. Stevie’s family provided the nurturing resources to allow Baleigh to thrive in a loving family atmosphere whenever her parents had to be out of town. Gail and Frankie (Maw Maw and Paw Paw via Christy’) loved the time Baleigh spent with them at their home. Then came another tragedy with Gail’s unexpected passing at around 62 years of age. As Stevie’s life with cancer continued, it eventually led to his career coming to a halt. Christy pulled up her “strong, loving, smart determined self” to help her dad through her family’s loss and took over with the “actual business” end of her mom and dad’s one and only, very lengthy marriage. This woman has the capabilities of a COMBINED “Wonder/Bionic” woman in real life. We thank God that the East Jefferson Hospital oncologist was determined to do what she could in the medical world to provide Stevie, Christy and little Baleigh with extra time on earth to spend with the family he so deeply cherished. Praise be to God.

“ Stevie was such a kind and respectful man. He would lite up a room when he walked in. I feel so blessed to have met him when he came to work at Hydril/Tenaris. Somehow we developed a mother/son relationship since he is only 3 days older than my son. When he came in the office he would always say Hi Mom how are you doing. Stevie will be definitely missed. He has so many that loved him. Sending prayers to Chrissy, Bailiegh and the whole Morvant Family.
